Dear Year 6 Pupils and Parents/Carers too

It seems a long time since I last wrote to you as so much has changed and so much has happened. I hope you and your family are doing well and you are managing to stay safe and well during these very different days. I am sure, like me, you are missing school: the people, the learning and, in particular for you in Year 6, it must all feel very strange, not knowing when you are going to be returning to your wonderful primary schools. It feels very strange for us all but one thing is certain, it will come to an end and we will, at some point, begin to move back to some sort of normality.

I wanted to write to reassure you that, in terms of your transition to Tenbury High, nothing much has changed. We are all still very much looking forward to welcoming you back to our academy...soon to be your academy!

The important aspects of planning for your transition that normally happen in this new term are still happening. For example, we will be chatting to your teachers at your primary schools to find out all about you; putting you into tutor groups; planning for your transition weeks in September; organising the bus routes; making sure your new uniform is ready for your parents/carers to buy. Please let your parents know that we fully understand if they haven't managed to sort your uniform out by the time you start in September! I know that last time I wrote to you I told you about a new PE kit for Year 7; we are still waiting for more information about this and will write to you again as soon as we can.

I am still hopeful that our usual induction events will take place: our induction days; our new parents/carers welcome evening and the brilliant 6-7 project. I just don't know what the dates of these events will yet be. However, once the Government gives me the instruction to reopen the school, we can finalise these dates and invite you to attend.

Whatever the future looks like, whenever we meet again, please know I will absolutely make sure you get the very best transition experience possible and I very much look forward to seeing you again very soon.

In the meantime, I am enclosing a Pupil Handbook for you and your parents/carers to read and some forms for your parents/carers and you to complete and return to the academy as soon as possible (there is a post box outside if you return them by hand).

Stay safe, stay well.

Kind regards

Mrs V Dean – Principal (vdean@tenburyhigh.co.uk)
