

September 2020

Dear Year 6s and Year 5s

My name is Sophia, I am 12 years old and I went to Burford Primary School. I am writing to you to describe my experience as a Year 7 pupil at Tenbury High Ormiston Academy.

I know when I was in Year 6, I felt incredibly anxious thinking about starting at a new school. However, I also felt excited knowing I would see my friends from the previous year. It is completely normal to feel worried, anxious and scared about starting High School. When I met all the friendly teachers, I knew it was not bad at all and High School is nothing to worry about.

I am now in my fourth week of Year 7 and I feel like I have been here a whole lot longer. So far, I have enjoyed lots of new subjects. The subjects I like most are PE, Art, English and Maths. In Art we are learning about the famous painting Mona Lisa and in English we are learning how to use the skill inference. Every pupil is put into a house when you arrive at Tenbury High and we have the opportunity to gain house points in lessons. This house system creates a real sense of competition in school and I look forward to taking part in more house activities.

At break and lunch time, we are able to use the court yard and the field so we have a big space to socialise. I really enjoy the food, especially the waffles at break! We also get the opportunity to buy ice lollies when it is hot! Break time is a wonderful chance to make new friends and learn more about each other. We also have the outdoor gym equipment in our space.

Overall, I am really enjoying being a pupil at Tenbury High. I have loved every moment of it so far! As Tenbury is a small school it is easier to get to know each teacher and feel close enough to ask any questions I may have. Hope you make the right decision and chose Tenbury as the school for you!

I look forward to meeting you next September.

Sophia
