September 2021

Dear Parents/Carers and Year 5 and Year 6 Children

The first half term of the new school year is a key time for Year 6 pupils as you prepare to make your carefully considered decisions regarding your choice of secondary school; the deadline for making your application for secondary school is 31st October.

For families of children in Year 5, we are planning a series of short taster sessions starting in October; we will write to you about these through primary schools. Usually, we would love to welcome you to our Open Evening but this year, due to the need to limit capacity on site, we are asking you to wait to attend this event until September 2022 when your child is in Year 6.

I write to you today to begin the process of selecting the right secondary school for your child, giving you the opportunity to learn all you can about Tenbury High Ormiston Academy. My name is Mrs Vicki Dean and I am the proud Principal of this unique and wonderful school.

As a parent, I understand the need to choose the right secondary school for your child. I understand how important this decision is and I'm delighted that you are considering Tenbury High Ormiston Academy.

Tenbury High is a very successful, small secondary school where every single child matters. We are a friendly and personable school and we pride ourselves on knowing each pupil, ensuring that their broad education is the very best fit for them. Our motto states "high achievement, outstanding care" and this is not just a statement emblazoned on the walls and letterheads; this is a statement that we live and breathe every day.

Staff will take the time to get to know your child and grow with them as their needs change. No two children are the same and our various approaches to personal development and teaching and learning ensures our provision is tailored to suit your child – I am incredibly proud of this approach and most importantly, our pupils thrive in our caring and inclusive environment.

To support you in your decision making, the academy is offering a range of activities for Year 6 children and parents/carers allowing you to understand more about our ethos and culture.

Firstly, I am delighted to invite you to our Open Evening on Thursday 30th September where you can tour the school, meet the staff and experience life at Tenbury High. Due to the current Covid risks we are required to limit numbers and crowds on site. Therefore, we are asking parents to book a tour so we can manage numbers attending more effectively and carefully. Tours will start from 6.30 pm, please use this link to book your tour <https://bit.ly/3Au6m0J>. Please book the number of spaces you need for everyone attending including children. You will have the chance to see our facilities and ask all the questions you have and the opportunity to understand how exciting it is to be a pupil at Tenbury High. As you arrive you will be assigned pupil guides who will take you around the site.

If you are unable to attend the Open Evening, we are also offering tours on two mornings on Friday 8th and 15th October between 9.30am – 11.00am. These will be short (about 30 minutes), pupil led tours of the working school with an opportunity to meet a member of the senior leadership team. Please book your tours in advance by emailing joinus@tenburyhigh.co.uk.

If these events are not convenient for you, you can book a 1:1 tour led by a member of the senior leadership team outside of the school day during w/c 4th October including Sat 9th October and w/c 11th October including Saturday 16th October. These tours will last about 30 minutes and can be booked in advance by emailing joinus@tenburyhigh.co.uk.

These are always great events, enjoyed by pupils and families and I very much look forward to meeting your families and welcoming you to our school. We ask this year that you only book onto one of the events as numbers are restricted.

Where possible, I also hope to be able to visit the children in their primary classrooms to be able to talk to them in person about our wonderful school and answer any of their questions.

We have created a website - Join Us (<https://joinus.tenburyhigh.co.uk/>) which can also be accessed via the main school website (www.tenburyhighormistonacademy.co.uk) as well as via links on Facebook.

I do hope you will be able to engage with one of the many events on offer and see for yourselves why more and more pupils are joining us every year from across the area. Our school is special and unique and you will like what you see.

We will be sharing links, updates and information with the primary schools but please do follow us on Facebook (<https://www.facebook.com/tenburyhigh/>) and check out our Join Us website regularly to allow you to fully understand what Tenbury High has to offer your young person.

I look forward to meeting you soon.

Yours sincerely

Vicki Dean
Principal

High Achievement
Outstanding Care

To book open evening tours - <https://bit.ly/3Au6m0J> (Eventbrite)

To book morning tours during the school day – email: joinus@tenburyhigh.co.uk
